Concept Overviews

Finished Photos

We redefined a cafeteria for our client, combining functional efficiency with elegant aesthetics, resulting in a delightful and sophisticated dining experience.

Finished Photos

We designed a dedicated serving and dining area for athletes with a strong school branding presence, featuring an industrial design, exposed brick walls, metal fixtures, and school colors. The space offers a stylish and functional environment for post-workout refueling.

Finished Photos

We completed a student dining renovation for our client, creating a clean and modern space that was food-forward in design. The renovated dining area now reflects a contemporary atmosphere, encouraging a positive dining experience for students.
